

# VYAVASTHA PARIVARTAN

(Change of System)

Founder National President Sansar Chandra Email: changeofsystem8@gmail.com

601, Rohit House, Talstoy Marg, New Delhi-110001

For Detail of our Constitution please see our website : vyavasthaparivartan.org

## OUR AIM

People have elected governments several times, But in Vain, due to the colonial system we inherited from England. So to amend our constitution. Let us elect such representative, who are committed to change the system this time with two third majority in both house of parliament and in states, then only Vyavastha Parivartan (Change of System) can be achieved.

Our Plan : Problems of a nation can be solved only by utilizing the latent energies of its own culture. We are committed to create a just society in which every child will have equal social, educational, health care, employment and equal financial opportunity. This can be achieved by changing our representative democracy to a direct and participatory one. In rural area it is known as Gram Swaraj and in urban area it is known as colony Swaraj or Mohalla mohalla. In Local Swaraj voter are trustees of all natural resources i.e. land, water systems, forests, environment, human. thus they have power to collect taxes, make local laws and punish the guilty. This system of government is far superior then present day panchayat Raj in which only corruption has been decentralized. This has been made worse by the present government because it has not fully implemented mandatory clause of constitution of India e.g. article 243 ZD and 243 ZE in letter and Sprit.

According to the constitution of Vyavastha Parivartan. P. Party nomination of candidate for election is finalized by holding primary election among voter and member of party in each constituency, as soon as elections are announced by government. Fee for a voter is Rs.1200/- per year. For ordinary member it is Rs.1200/- per year. If he/she wants to contest election then he/she must become active member fee for active member is Rs.100,000/- Active member must make at least 10 voter or member in each polling booth of his constituency. Then only Active member is allowed to offer him/herself for nomination from his her constituency for election conducted by election commission. Fee can be paid in cash/cheque/DD/pay order.
